4 Submitted for orders as to whether the amount sanctioned for fire protection may be increased to Rs 7500/—

15/1/1924

8/15.1.24

In para 9 of G.O. of 26th Dec. the Conservator of Forests was asked to submit an Estimate for cutting Stacking 2000 tons of hay. In his letter of 3rd Jan 1924 read in the preamble of the order, he submitted an Estimate for Rs 35000, which includes Rs 2500 for fire protection. According to the request of the Director (vide 3rd in the Preamble), the Estimate of Rs 6000 was sanctioned, but the amount for fire protection was kept at Rs 2500 only. The Conservator says that the Estimate for fire protection has also to be proportionately raised viz to Rs 7500, which means an additional Rs 5000. The grant of this amount was completed the batch of papers asked for by the Director in his letter above quoted. The grant for this item is for orders

15.1.24

Rev. Secy.

Orders. I am of opinion that a schedule rate for the work should be fixed. The Sub-Inspector should be asked to submit a schedule showing the rates for the various items of work to be carried out in connection with the fire protection etc.

REVENUE
15 JAN 1924
SECRETARY.

No. C-131

8-23-7a.

FROM

B. V. RAMAIENGAR, ESQ., B.A.,
Conservator of Forests in Mysore.

To K. V. Anantaraman, Esq., B.A.,
Secretary to the Government of Mysore,
Revenue Department, Bangalore.

SIR,

Adverting to Government Order No.221-32/Dis.8-23-5 dated the 11th January 1924, I have the honour to state that the sum of Rs2,500 required by me was to fire protect 2,000 tons of hay proposed to be collected in the forests, including the small portion to be pressed and despatched. Now that 6,000 tons of hay have been ordered to be collected, the amount provided under fire protection is quite inadequate, and it is necessary, to atleast treble the amount, especially, in view of the fact that there is absolutely no water near the working areas and special carts have got to be engaged to store necessary water at the places where the hay is stacked, and in some cases, also purchases of cast iron tanks to store water have to be made. In these circumstances, I request you to kindly obtain the sanction of Government to increase the amount of Rs2,500 to Rs7,500.

I have the honour to be,
Sir,
Your most obedient servant,

B. V. Ramaiengar

Conservator of Forests.

To

The Conservator of Forests

Sir,

With reference to your letter No C 131 dated the 13th January 1924 requesting that the sum of Rs 2500 provided for fire protection in G.O. No 221-32/Dis 8-23-5 dated the 11th January 1924 may be raised to Rs 7500/-

over.

I am directed to state
that you may spend
what is absolutely necessary
for fire protection and that as
the whole quantity of grass cut
by your department ~~should~~ not
~~be~~ stacked in one place but
handed over to the Agricultural
Department, ~~who~~ they will make their own
~~necessary~~ arrangements for
fire protection in their camps
and that you ~~may spend what is absolutely~~ need only arrange for protection
~~necessary~~ until the cut grass ~~is~~ is handed
over to the Agricultural Department.

I have etc
